

Group Corporate Plan
2021 – 2026

It's a great new day for Torus as we launch on our new Corporate Plan. Changing people lives. Giving people bright prospects for the future. Giving people new homes. And really 'growing stronger communities'.

That's what we're about at Torus. That's what we're going to give our communities and that is what our new day and future is about.

Steve Coffey, Group CEO
